BECOME A MENTOR!

*" Mentors are guides "
They lead us along the journey of our lives.
We trust them because they have been there before. "
-Laurent A Daloz*

Puente Mentors:

- Introduce students to careers and workplaces
- Share their strategies for academic and professional success
- Are part of an active network of professionals
- Show by example that academic and career goals can be met
- Attend Puente events with their mentee and support the Puente mission

Across California, thousands of professionals have helped Puente students build a bridge to college and career success. By becoming a Puente mentor, you too can help the next generation realize their dreams. And as a Puente mentor, you will become part of a statewide network of professionals who share your interest in education and community.

The mission of the Puente Project is to increase the number of educationally underrepresented students enroll in four-year colleges and universities, earn degree, and return to the community as leaders and mentors of future generations.

Geoff Navarro
Counselor/Coordinator (707) 778-3674
Puente Project, Petaluma campus
